## AN HOUR AT BARL

In a visit to BARL recently, in just an hour, it's easy to feel how much help is needed to support and reduce the number of abandoned animals.

When you take a dog for a walk and you put it back in the pen, three others escape, excited for their turn too. I wish there was enough time to walk them all.

In a matter of an hour a car comes up and very kind people bring in a dog that has all-so-commonly showed up at their house hungry, tired and lost.

In that same hour another kind family shows up with 2 more puppies they found on their property suffering from a severe case of mange. They will be reunited with mom and their 8 siblings BARL took in the day before.

Lisa the BARL team member, shows us the puppy she has fostered back to health after it was found in a ditch, in terrible shape.

Within 48 hours, 7 dogs and 21 puppies were brought into BARL.

**The single greatest thing anyone can do is spay/neuter your pet. Every litter prevented reduces the overwhelming pet population.**

Also important, ID your pets with a microchip and a collar with tag. Returning an animal to their owner is a much better solution than turning them into BARL.

*You can help by adopting, volunteering, donating and most importantly spaying and neutering pets.*

Let's change that hour at BARL.

# SEEING LOVE

Sunshine's owner passed away, so the sweet kitty ended up at BARL. The pretty black and white cat was missing an eye.

But, her life got a lot brighter when young Alex showed up to adopt her.

Alex chose Sunshine because he, too, is blind in one eye and Sunshine sees the world like he does.

Big hearted, bright kids, lots of cat loving and a furever home... Sunshine hit the cat jackpot.

## VOLUNTEERS

Look what we found underneath the nasty, matted fur... a cute little schnauzer.

We appreciate Rebecca volunteering her time to groom some of the BARL animals. You can tell what a difference grooming can make in the life of a dog. Just imagine how much better this fella felt.

### VOLUNTEERS...

BARL always needs volunteers. Whether it's helping with fundraising, socializing animals or transporting animals to the vet clinics, the list of needs goes on and on.

Contact Volunteer Gail at 601-757-3211 to talk about volunteer opportunities.

BARL's Barks & Bids Online Auction was a great success! We appreciate all who donated and bid on items.

Special thanks to these businesses for their sponsorship. Please support them, as they support us.
