

# Paws in Print

*Holiday 2023*

*Jericho, a senior fella with a mellow and friendly disposition.*

"Santa said they'd be here soon. He called them adopters," so meowed Sierran.

*Adopt.*

Giving the gift of a forever home to a shelter animal is a joy. As part of Bissell Pet Foundation's Empty the Shelters event, BARL has adoption fees reduced to \$35/cat and \$50/dog thru Dec 15th. This includes spay/neuter, vaccinations and a microchip. See adoptables online at [barl.net](http://barl.net). Contact us for more information at 601-757-4367 or [info@barl.net](mailto:info@barl.net). Share the love and warmth of your home this holiday season with a shelter pet. And, if you aren't ready to adopt...VOLUNTEER.

# Two Events - One Purpose

As BARL wraps up another amazing year, we want to thank the sponsors of our Barks & Bids Online Auction and Canines, Cats & Corks events. The success of these fundraisers directly affects the number of animals we can intake. As of November 10, 2023 this year, we have taken in over 1,000 animals.
